1. On February 25, 2016, the reporting person was granted an option to purchase 90,000 shares of common stock. This option vests in installments based on the achievement of certain regulatory and business milestones. The Compensation Committee of the Company determined that one of these performance milestones was met, resulting in vesting of the option with respect to 29,988 shares. The option had previously vested with respect to 60,012 shares.
